

GLC\_Geometry

```
graph BT; GLC_Circle --> GLC_Geometry
```

A diagram illustrating a class hierarchy. At the top is a rectangular box labeled "GLC\_Geometry". Below it is another rectangular box labeled "GLC\_Circle". A vertical arrow points from the top of the "GLC\_Circle" box up to the bottom of the "GLC\_Geometry" box, indicating that "GLC\_Circle" inherits from or is a specialization of "GLC\_Geometry".
